EDUCATION

University of Colorado Boulder | *B.S. Creative Technology and Design* | Boulder, CO May 2028
Business Minor | GPA 3.8/4.0
Phillips Exeter Academy | *Diploma* | Exeter, NH 2024

SKILLS

Design and Research: Figma, FigJam, user research, usability testing, wireframing, interaction design, interactive prototyping, Adobe InDesign, Photoshop, Illustrator
Technical and Production: HTML, CSS, C++, Git/GitHub, Arduino, Flora, ShoFlo
CAD: Onshape, SketchUp
Additional: FAA Private Pilot Certificate, Mandarin Chinese proficiency

EXPERIENCE

Weather Decision Solutions | *Project Management Intern* Summer 2026

- Worked directly with the CEO to design and help build Historical Event Explorer, a new client feature for finding, filtering, and saving past snowstorms by location and snowfall totals.
- Redesigned the main forecasting page to create a clearer flow across current, 7-day, 14-day, and monthly forecasts while preserving detailed information for clients.

Joan Creative | *Creative Technology Intern* Summer 2026

- Wrote the concept and script for a speculative Patagonia advertisement, then used Flora to develop the full AI-generated video.
- Collaborated with account and strategy teams to develop audience-specific advertising recommendations intended to improve campaign relevance and media efficiency.
- Researched prospective clients and their advertising histories and created internal briefing decks on brand context and potential future marketing needs.

University of Colorado Athletics Marketing | *Lead Intern* | Boulder, CO June 2025-Present

- Promoted to Lead Intern on August 20, 2026 after contributing to in-game marketing across CU athletic events.
- Execute in-game promotions and write game scripts using ShoFlo and Adobe InDesign.
- Brainstorm strategies to increase student attendance and draft marketing and content-day plans for multiple sports.

Owl AI | *Data Annotator* | Boulder, CO October 2025-Present

- Label and validate machine-learning datasets, applying detailed technical standards and identifying edge cases and data inconsistencies.
- Collaborate with AI researchers and project leads to refine annotation standards and improve dataset usability.

SELECTED PRODUCT DESIGN PROJECTS

Cheyenne Mountain Zoo Website Redesign | *UX Designer and Researcher* 2026

- Redesigned the homepage and ticket-purchasing flow in Figma after observing five users and identifying navigation, information-density, and checkout friction.
- Built low- through high-fidelity prototypes and tested the first high-fidelity version with three users; added date and time selection, corrected cart feedback, and strengthened primary actions based on findings.

Product Design Portfolio | *Designer and Front-End Developer* 2026

- Designed and built a responsive HTML and CSS portfolio to present product-design research, iterations, prototypes, and outcomes.

ATHLETICS AND RECOGNITION

University of Colorado Women's Lacrosse | *NCAA Division I Student-Athlete* | Boulder, CO 2024-Present

- Commit more than 20 hours each week to training and competition while maintaining a 3.8 GPA; named to the Big 12 Academic All-Rookie Team and twice to both the Commissioner's Honor Roll and Dean's List.
- Won bronze with Israel at the 2026 World Championship and represented Israel at the 2023 U21 European Championship and 2024 U20 World Championship.
